MD HAFIZ

Senior Android App Developer

📞 +91 8092308016   @ mdhafiz7215@gmail.com   🔗 LinkedIn   📍 Noida, Uttar Pradesh, 201301

SUMMARY

I am an innovative Senior Android Developer with over 7.1 years of expertise in Kotlin and Java, specializing in Android Automotive apps and Play Store deployments. My passion lies in building user-centric applications that deliver seamless experiences across multiple devices. I possess strong skills in modern architectures and leadership, mentoring teams and driving Agile projects towards successful outcomes

EXPERIENCE

Senior Android Developer

The Indian Express Pvt Ltd

📅 09/2021 - Present   📍 Noida

Leading media and news organization based in India

- Developed the Automotive Indian Express Car App, a modular app for podcasts and shorts, optimized for in-car entertainment systems
- Implemented Navigation Graph for seamless user journeys and deep linking for better engagement
- Integrated Firebase for real-time updates and analytics
- Led the deployment of 5+ high-impact news apps (e.g., The Indian Express, Financial Express, LokSatta) on Google Play, reaching 1M+ downloads
- Designed scalable architectures using MVVM and Clean Architecture, improving code maintainability and scalability
- Integrated SDKs like MoEngage, CleverTap, and Razorpay for enhanced functionality
- Mentored a team of 4 developers, conducted code reviews, and ensured adherence to clean code principles

Software Engineer

ZMQ Technology for Development

📅 01/2018 - 09/2021   📍 Delhi

Technology development firm focused on software solutions for health and social sectors

- Designed, developed, and deployed feature-rich Android apps from scratch, including Vishwaas Toolkit and ASHA Case Management Toolkit, impacting 500K+ users
- Built dynamic form builders for real-time data collection, improving data accuracy by 30%
- Resolved issues in location tracking and data synchronization, reducing crashes by 15%
- Utilized Firebase for secure cloud storage and real-time data updates
- Successfully launched 4+ health-tech apps (e.g., TB StoryTeller, Pneumonia StoryTeller) on Google Play, driving real-world change in public health

EDUCATION

Bachelor of Technology (B.Tech - CSE)

Dr. A.P.J. Abdul Kalam Technical University

📅 03/2013 05/2017   📍 Lucknow

KEY ACHIEVEMENTS

💙 **IE Hack 2023 Winner**
Won IE Hack 2023 for significantly improving app notification CTR (Click-Through Rate)

🚩 **Employee of the Year 2020**
Awarded Employee of the Year 2020 for outstanding contributions

SKILLS

Java   Kotlin   Android Studio

Android SDK   Room   Retrofit

Crashlytics   Coroutines   FCM
